5. Creating an Effective Online Syllabus. Whether working alone or as part of a team to develop a course, the syllabus is an important part of course devel- opment, regardless of delivery format—online, in blended format, or face-to-face. Defining syllabus broadly here, we assume the traditional syllabus should include not only a sched- ule of topics, readings, activities, and assignments, but also such elements as goals, objectives, or expected outcomes for the ...
