Foster child. Teenage whore. Now a veterinarian, MacKensie's turned her life around, but the scars remain. She saves her affection for the animals who never judge or scorn her, but it's time to get out, move on from her past in Iowa. So, she arranges a vacation exchange to job hunt in Seattle. Although the house is lovely, one room is locked. Her years in foster care have given her two 'gifts': a neurosis about locked doors and the ability to open them. After she gets into the room, she's appalled...and intrigued. Chains and manacles, whips and paddles, odd benches with straps... When Alex returns home days early and finds MacKensie draped over the spanking bench in his locked dungeon, he's furious. But her wariness arouses his protective nature and curiosity, so he strikes a deal to keep her close-she'll act as his submissive in exchange for a place to stay and help finding a job. He'd planned to use the veterinarian to deter an ex-girlfriend, not replace her, but with MacKensie's compelling mixture of strength and vulnerability, the little sub slides right into his well-defended heart.

Dain is amused by the attempted theft, and when Mella is sentenced to serve time indentured as a bedroom slave, he buys her contract. As he introduces the repressed Earther to the pleasures of sex with a dominating warrior, he slowly comes to realize that the little thief has stolen his heart. When the monster arrives on Nexus and has lunch with Dain, Mella is panic-stricken. Her owner must be part of the conspiracy to kill her, and it will only be a matter of time before the monster discovers that she's still alive. She attempts to escape but fails. \u0026 I loved this book! Wait. Let me say this again. I LOVED this book! ~ Fallen Angels Reviews BOOK DESCRIPTION: Her job is to make his life miserable. His job is to make her submit. Whose heart will surrender first? Across the country, rebellious BDSM submissives are being systematically kidnapped, one from each club. When her friend falls prey to the slavers, FBI victim specialist Gabrielle volunteers to be bait in a club not yet hit: the Shadowlands. She finds that being a bratty sub comes naturally, especially when she gets to twit the appallingly conservative Master of the trainees. But she soon discovers he's not as stuffy as she'd thought. Or as mean. She'd expected punishment, even humiliation, but she sure never expected to fall in love with a damned lawyer. Courtesy of a prima donna ex-wife, Marcus loathes disobedient submissives. When the club owner insists he admit an incredibly bratty trainee, he's furious. But as he comes to know Gabrielle and sees the alluring sweetness beneath the sass, he starts to fall for her. Unfortunately, Marcus isn't the only one who believes the feisty redhead is a prize worth capturing. And in the world of the slaver, such treasure is worth a hefty fee. \u0026 I don't think there is any other option for me than 5 stars. I'd give it a whole lot more if I could. ~ The Romance Reviews * * * * "If you've not experienced the fantastic work of Cherise Sinclair, now's a good time to start." ~ Whipped Cream Reviews In the exclusive Shadowlands BDSM club, the title "Master" is given to only the most powerful, experienced, and skilled Dominants.
