one final battle? And what if the demons of your past disturb the delicate reconciliation you thought you had found? These are the questions facing John Kadel in "If only I could...", a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching. John Kadel is a stubborn, single old man with a colorful past and questions for which he has no answers. Not long after his doctor hands him a death sentence, John runs into someone from his past.

"This inaugural volume in the Library of Congress Crime Classics series, featuring the first woman sleuth in a series, is a must for genre buffs." —Publishers Weekly (Starred Review) The first book in an exciting new classic mystery series created in partnership with the Library of Congress, *That Affair Next Door* follows Miss Amelia Butterworth, an inquisitive single woman who becomes involved in a murder investigation after the woman next door turns up dead. Miss Amelia Butterworth prides herself on being an observer of human nature, especially of the people she sees every day from her usual spot at her front window—that is, until she witnesses the prelude to a ghastly murder. Late at night, two people enter her neighbor's home, but only one leaves. The next morning a young woman is found dead, crushed beyond recognition beneath a cabinet. But her death was no accident—it soon comes to light that

she was stabbed by a seemingly innocuous item: a hat pin. Rife with social tension and mistaken identity, the messy case is assigned to veteran Detective Ebenezer Gryce. He expects Miss Butterworth to demurely return home, but she was there at the beginning of this case and she intends to see it through to the end. Miss Butterworth is determined to solve the mystery before the detective, but what begins as a battle of the sexes soon turns into a fight for the ever-elusive truth. Anna Katharine Green is credited as the "mother of the detective novel," and the classic *That Affair Next Door* proves that the intrigue of a well-crafted mystery is timeless.

In this “thrilling, seductive, and utterly absorbing” (Paula Hawkins, #1 New York Times bestselling author) historical suspense novel in the tradition of Agatha Christie’s *Death on the Nile* and Ruth

Ware's *The Woman in Cabin 10*, pre-war tension and forbidden romance abound, and not everyone will survive the journey... The ship has been like a world within itself, a vast floating city outside of normal rules. But the longer the journey continues, the more confined it is starting to feel, deck upon deck, passenger upon passenger, all of them churning around each other without anywhere to go... 1939: Europe is on the brink of war when young Lily Shepherd boards an ocean liner in England, bound for Australia. She is ready to start anew, leaving behind the shadows of her past. The passage proves magical, complete with live music, cocktails, and fancy-dress balls. With stops at exotic locations along the way—Naples, Cairo, Ceylon—the voyage shows Lily places she's only ever dreamed of and enables her to make friends with those above her social station, people who would not ordinarily mingle

with her. She even allows herself to hope that a man she couldn't possibly have a future with outside the cocoon of the ship might return her feelings. But Lily soon realizes that she's not the only one hiding secrets. Her newfound friends—the toxic wealthy couple Eliza and Max; Cambridge graduate Edward; Jewish refugee Maria; fascist George—are also running away from their pasts. As the glamour of the voyage fades, the stage is set for something sinister to occur. By the time the ship docks, two passengers are dead, war has been declared, and Lily's life is irrevocably changed. “A vividly descriptive ride” (Marie Claire) with a “jaw-dropping ending” (RT Book Reviews, Top Pick), *Dangerous Crossing* is a transporting and “gorgeously atmospheric” (Ruth Ware, New York Times bestselling author) story for the ages.
