(PDF) The Economics of  
Health Reconsidered

Why should the economics of  
health be reconsidered? --  
The traditional competitive  
model -- Assumptions  
underlying the competitive  
model and the role of  
government -- Demand for  
health, insurance, and  
services -- Special topics  
in demand : externalities of  
consumption and the  
formation of preferences --  
How competitive is the  
supply of healthcare?
