Handbook of the Navigator is about you. It is the manual for how your soul operates within this reality and the driving force that compells you to question your existence. In the backdrop of your awareness, a silent force pulls at you to seek out and find the truth, by any means possible. There is a reason you have been looking for better answers and direct, first-hand experiences to validate those answers.

~~Handbook of the Navigator~~

The Handbook of the Navigator breaks all the traditional rules regarding the soul, the universe, and ultimately what we consider God to be. Its scale is epic

The Handbook of the Navigator is by far the most compelling book I have EVER read! I found this book at a time in my life when i needed something to free me from the burdens and mundane feeling i had in my heart. I always knew something wasn't right with how i felt, how this world seemed to be through everyone else around me.

A navigator is the person on board a ship or aircraft responsible for its navigation. The navigator's primary responsibility is to be aware of ship or aircraft position at all times. Responsibilities include planning the journey, advising the ship's captain or aircraft commander of estimated timing to destinations while en route, and ensuring hazards are avoided. The navigator is in charge of maintaining the aircraft or ship's nautical charts, nautical publications, and
