exclusion to the general rule, which dictates that acceptance is effectual on receipt. The rationale behind the postal rule is that it encourages contracting by parties at a distance by making the person in the position of giving an acceptance just as protected as if the contract was being completed face to face.

the legal arguments

The postal rule provides certainty for the acceptor as he knows that there is a binding contract as soon as he posts his letter of acceptance. The offeror can create certainty for himself by stipulating that he must receive acceptance before it is binding or setting other such limits.
