The Reluctant Land: Society, Space, and Environment in ...

The Reluctant Land describes the evolving pattern of settlement and the changing relationships of people and land in Canada from the end of the fifteenth century to the Confederation years of the late 1860s and early 1870s. It shows how a deeply indigenous land was reconstituted in European terms, and, at the same time, how European ways were recalibrated in this non-European space. It also ...
