The intestacy rules in Scotland are contained in the Succession (Scotland) Act 1964 (referred to as "the Act"). The Act provides how the estate of the deceased should be divided, and although it has been updated over the years - to include provisions for civil partners, for example - the legislation is now 56 years old and doesn't necessarily reflect today's society and family relationships.

The main piece of legislation on inheritance in Scotland is the Succession (Scotland) Act 1964. It has been amended several times, for example, to give equivalent rights to civil partners as exist for spouses. The Family Law Act 2006 (section 29) has specific rules relating to cohabitants of people who have died intestate. Further information

Where someone dies without making a Will, the Succession (Scotland) Act 1964 ("the 1964 Act") provides that the deceased's spouse or civil partner has specific rights in their estate, known as Prior Rights. Prior Rights rank above all other entitlements in an estate, including the rights of children. The deceased may also have had a cohabitee if they were separated from their spouse.
