This introductory book to French is intended for the first and second years in high schools and for the first year in colleges. It is meant above all to be a practical book. The author does not call it a grammar, for he believes that a grammar should be comprehensive and used as a book of reference. -- Preface.

C'est l'histoire d'un livre qui voyage à travers le temps, d'un lecteur à l'autre, en transmettant un message à chacun. La vie de chaque lecteur en sera chamboulée.
