The easiest way to create a macro in Word 2007 is to use the macro recorder. After you turn on the macro recorder, it makes a precise record of everything you do in Word until you turn off the recorder. After you

File Type PDF Word 2007

turn off the recorder, you can replay the recorded macro to repeat the exact sequence of steps that Word recorded in the macro.

Thirdly- MSDN, read through this: Getting Started with VBA in Word 2010. 99% of it applies to Word 2007. There are many other articles linked from this one or you can always go to the main

File Type PDF

Word 2007

page of Office VBA
Developer Center as
a single jump page.

~~Where do I get started
with VBA and macros
programming in ...~~

Click the new macro
(it's named
something like Normal
.NewMacros.<your
macro name>), and
click Add. Click
Modify. Choose a

File Type PDF

Word 2007

button image, type the name you want, and click OK twice. Now it's time to record the steps. Click the commands or press the keys for each step in the task. Word records your clicks and keystrokes.

~~Create or run a macro~~
~~Word~~

Another button on the

File Type PDF

Word 2007

Developer tab in

Word and Excel is the
Record Macro button,

which automatically
generates VBA code

that can reproduce
the actions that you

perform in the

application. Record

Macro is a terrific tool

that you can use to

learn more about

VBA. Reading the

generated code can

File Type PDF

Word 2007

give you insight into VBA and provide a stable bridge between your knowledge of Office as a user and your knowledge as a programmer.

~~Getting started with~~

~~VBA in Office |~~

~~Microsoft Docs~~

Enable macros in the

Backstage view

Another method to

File Type PDF

Word 2007

enable macros in a file is via the Microsoft Office Backstage view, the view that appears after you click the File tab, when the yellow Message Bar appears. Click the File tab. In the Security Warning area, click Enable Content.

~~Enable or disable~~

~~Word macros: Four examples to automate your documents ...~~

Macros for Microsoft Word are one of the best ways to boost

File Type PDF

Word 2007

your productivity but they're not without risk. Macros are customized recordings of custom commands and actions to be performed in Word that streamline frequently performed tasks. When recording a macro, you can either assign the macro to a

File Type PDF

Word 2007

keyboard shortcut combination or to a button above the ribbon.

~~Edit Macro Security Settings for Microsoft Office Word~~

I'm going to assign the Macro to a quick access tool bar button. Okay, here's where things get good, I've got the

File Type PDF

Word 2007

Word options page open and I'm going to highlight the name of my Macro in the list at the left. Then click the add button. Now the Macro is showing up and the list of quick access tool bar options on the right. So click ok.
